FREE LIFE INSURANCE FOR MEMBERS IN GOOD STANDING

We are pleased to announce that APS has negotiated a basic life insurance policy with BENEVA Life Insurance Company, which will be **offered free of charge to APS members in good standing** to recognize the commitment of members in good standing (voting members) to the democratic processes of our Association.

It is also one of the many approaches demonstrating that APS is there for you during happy moments and the difficult times life throws our way.

BASIC COVERAGE

The benefit of the protection coverage is:

MEMBER IN GOOD STANDING: \$ 10,000

SPOUSE OR COMMON-LAW PARTNER: \$ 6,000

PER DEPENDENT CHILD: \$4,000

ELIGIBILITY - MEMBERS IN GOOD STANDING

You are eligible immediately if you are already an APS member in good standing (also known as a voting member).

To sign up for this life insurance, you need only fill out the [Registration Form](#) on our website and check the box « *submit this information and accept the right to have life insurance granted by APS and its provider.* » This information is essential for APS to register you for this life insurance with **BENEVA** Insurance Company.

You will notice that you do not have to submit your marital status or medical condition, as these are not eligibility criteria. All fields must be completed to be eligible for free life insurance.

IF YOU ARE NOT A MEMBER IN GOOD STANDING AND WANT FREE LIFE INSURANCE

In this case, you must become a member in good standing by following the same process as members in good standing, as described above. After completing the registration form and the essential section at the bottom of the form to obtain life insurance, an email will be sent to you to administer the payment of the \$5 membership fee (required by Law to be a member in good standing of a Union) to complete your registration as a member in good standing. This membership fee is payable only once.

IMPLEMENTATION OF COVERAGE

We anticipate gathering information from all members wishing to benefit from free life insurance, which will take some time. Then, we will share that information with the insurer who will put in force the life insurance.

SUPPORT FROM BENEVA

Once APS has provided your information to BENEVA, the company will confirm the implementation of your life insurance.

THE LIFE INSURANCE IS FULLY OPTIONAL

The information APS requires from you to register you as a member in good standing is mandatory, but sharing the data BENEVA requires to sign up for this free life insurance (age, gender and language) is entirely optional.

So, if you do not want to benefit from the free life insurance, check the box at the bottom of the form, « *not to provide this information and thereby waive the right to life insurance granted by APS and its provider.* »

You can always become a member in good standing without free life insurance.

We hope you appreciate this gesture of recognition for your involvement as a member in good standing (voting member).
